

COLOUR STENCIL

We use Holcim's Geostone range of Coloured Concrete and Avistas range of stencils & colour hardener to create your desired pattern and look.

We create durable stencil patterns with a natural look.

Colour Stencil concrete gives us the ability to brighten up any area and allows you to compliment other colours around your home including roof tiles, brickwork or even your garden.

A unique form of concrete

Get the grouted look of cobblestone or bricks, without the added expense.

There is an endless choice of colours and patterns, allowing you to create something unique to your home.
